

G. G. COOTE, MACLEOD, M. P., CONDEMNED RECENT BANK MERGER; FEARS BANKS MAY BECOME AN AUTOCRATIC POWER—NO JUSTIFICATION FOR LEGALIZING MERGER, HE SAYS IN GRAMMUS SPEECH

On Wednesday night of last week the Grammus local U. F. A. had a visit from Messrs. G. G. Coote, M. P.; Gordon Walker, M. L. A., and Mr. Macleod of the U. F. A. of High River. Reynolds Hall was filled to hear the speeches of the visiting gentlemen.

A. MacGregor, who took the chair, called upon the local member, Mr. Walker, to speak first and give an account of his stewardship.

The speaker gave an outline of the work done by the provincial government during the past year and dealt with possible objections as to why more was not done in the matter of tax reduction and road work.

He reminded the audience that a province as large as Alberta with a population of only 600,000 made necessary demands upon the exchequer which were out of all proportion to the number of settlers, and to reduce taxation at the present time would mean a consequent falling off in meeting the demands for constructive work.

Emphasis was placed upon the splendid foresight of the premier and government in the advantageous sale of the northern railways, which gave the province a profit of seven million dollars.

**Favors 5c Gas Tax**  
Dealing with the tax on gasoline, the member stated that he was in favor of a 5c tax provided some way could be devised to have the additional 2c borne by the drivers of autos and other consumers excepting the owners of tractors.

Mr. Macleod spoke in the interests of the U. F. A., urging everyone to join what he believed to be the greatest organization for the benefit of farmers on earth. He stated that since 1921 when the association numbered 37,000 there had been a falling off in membership of more than two-thirds. W. Blair and M. Matheson were elected to take charge of a drive for members.

**M. P. Speaks**  
The chairman then called upon Mr. Coote, who held the interest of his audience for a while, and a half while he described the methods and limitations of the Dominion House.

He pointed out that owing to the British parliamentary rules adopted in the Canadian House it was almost impossible to get a private member's bill passed a third reading, the time allotted to private bills being two hours each week and even this limited time may be crowded out to make way for a government measure. This, he stated, accounted for the absence of some needed legislation for our western provinces, especially that touching the grain trade.

He promised the introduction of a measure next session revising the rules of the house in such a way as to give private bills some chance of becoming law. Another effort will also be made to establish divorce courts in Ontario and to relieve the house from the necessity of hearing such cases, Ontario being one of the few provinces which has no divorce courts of its own.

**Protein Wheat Grading**  
The speaker next mentioned an effort that is being made by the government agricultural department to have wheat graded according to its

protein content. It is proposed to substitute protein content for the color test at present in use.

He also advocated a change of grain inspectors as being likely to benefit Alberta farmers. Inspectors in Winnipeg and Fort William could be transferred to Calgary for a month, or vice versa, the suggestion being that a man from another inspection point would be less severe in his inspection than a man constantly in the same place and sometimes passing an unlimited supply of high-class grain as we sometimes have here.

**Cause of Deterioration**  
The department had investigated complaints from overseas buyers as to the deterioration in Canadian wheat shipped during the past year and discovered the complaints to be justified. It was discovered that at the terminal elevators wheat had been heated to such a degree in the drying process that only 8 per cent moisture was left, making the grain valueless for milling flour. It was then mixed with a poor grade to give it the desired weight and bring up the average of the moisture content.

The disquieting feature in the business is that the government has as yet done nothing to remedy the situation in spite of the exposure.

It also transpired that there are no inspectors at the transfer elevators on the Great Lakes, though they are as necessary there as at the terminals.

Dealing with the projected pensions bill, the member was of the opinion that, though it should be altogether a federal affair, the provinces would be forced to bear half the costs should it become law.

**Condemns Bank Mergers**  
In speaking of bank mergers, Mr. Coote revealed what he stated on the authority of leading financiers and business men to be the greatest economic menace with which the country is faced. Not many years ago there were 32 banks in Canada; today there are ten. It is admitted that no one benefits by the mergers except the bank stockholders. The money is supplied by the people. The passing of the recent bill legalizing the merger of the Standard Bank and the Canadian Bank of Commerce was without any economic or national justification; it simply meant increasing the dividends and the power of capitalists who are already a dangerous power behind the government and will, if the present trend of events continues, be an autocracy capable of dictating all the policies of all the governments.

**IN THE MATTER OF THE PUBLIC UTILITIES ACT 1923 AND IN THE MATTER OF AN APPLICATION BY THE TOWN OF MACLEOD FOR THE CANCELLATION OF PLAN NO. 555 A. Q. MACLEOD**

NOTICE IS HEREBY GIVEN that an application has been made to the Board of Public Utility Commissioners by the Town of Macleod for the cancellation of the subdivision of Broadview, Macleod, of record in the Land Titles Office for the South Alberta Land Registration District as Plan No. 555 A. Q. and that the Board has fixed Thursday, the 21st day of February 1929, at the hour of 10:30 in the forenoon, at its offices 716 McLeod Building, Edmonton, as the time and place for such hearing.

AND FURTHER TAKE NOTICE that if the amount of arrears of taxes standing against any lot or lots is not paid within ninety days from the 16th day of November, 1928, the Board may vest such lots or lots in the Town of Macleod, as provided by Section 142-A of "The Public Utilities Act 1923."

AND FURTHER TAKE NOTICE that in case the taxes are paid on any lot or lots, the applicant will then apply at the said hearing that such lot or lots be returned to the applicant and that in return therefor the present owner be given in exchange the lot or lots in Plan of the Town of Macleod.

Dated this 23rd day of November 1928.

E. Forster Brown,  
Secretary-Treasurer.

**IN THE MATTER OF THE PUBLIC UTILITIES ACT 1923 AND IN THE MATTER OF AN APPLICATION BY THE TOWN OF MACLEOD FOR THE CANCELLATION OF PLAN NO. 5230 A. I. MACLEOD**

NOTICE IS HEREBY GIVEN that an application has been made to the Board of Public Utility Commissioners by the Town of Macleod for the cancellation of the subdivision of Mountview, Macleod, of record in the Land Titles Office for the South Alberta Land Registration District as Plan No. 5230 A. I. and that the Board has fixed Thursday, the 21st day of February 1929, at the hour of 10:30 in the forenoon, at its offices 716 McLeod Building, Edmonton, as the time and place for such hearing.

AND FURTHER TAKE NOTICE that if the amount of arrears of taxes standing against any lot or lots is not paid within ninety days from the 16th day of November, 1928, the Board may vest such lots or lots in the Town of Macleod, as provided by Section 142-A of "The Public Utilities Act 1923."

AND FURTHER TAKE NOTICE that in case the taxes are paid on any lot or lots, the applicant will then apply at the said hearing that such lot or lots be returned to the applicant and that in return therefor the present owner be given in exchange and as compensation therefor another lot or lots in Plan of the Town of Macleod.

Dated this 23rd day of November 1928.

E. Forster Brown,  
Secretary-Treasurer.

**STRAYED ONTO THE PREMISES** of Harry Dow, N. W. Sec. 24, Twp. 9, Range 29, W. 4th Mer., Post Office Carleton Place, Alberta, one steer, red and white, about 4 years old, branded X lazy 8 right ribs and 2 with U upside down over bar on left hip; and one Hereford cow, aged, calf at foot, branded V upside down with reversed E over quarter circle points on right ribs, bar over H on left flank and

**BABY CHICKS PURE-BRED**—To Lay that Liv-An-Gro from Tested, Trapped and Inspected Flocks. White Leghorns, Barred Rocks, Red Wyandottes, White Rocks, Anconas, Minorcas, Orpingtons. Early Order Discount for Orders received now. Write for Free Catalogue. Alex. Taylor's Hatchery, 362 Furby St., Winnipeg, Man.

**21 Shopping Days Before Christmas**  
Do your Christmas Gift Buying early and avoid hurried choosing in the last few days.

**KING GEORGE STILL SUFFERING FROM CONGESTION OF RIGHT LUNG IS REPORTED BY MONARCH'S PHYSICIAN—PASSES QUIET NIGHT BUT CONDITION REMAINS AS BEFORE—PRINCE WILL BOARD H. M. S. ENTERPRISE FOR RETURN JOURNEY AS EARLY AS POSSIBLE**

London, Nov. 28.—A letter from the king's physician, Lord Dawson of Penn, submitted to the cabinet this morning and ordered published, said that his majesty was suffering from inflammation—congestion—of the right lung, with extensive plastic pleurisy on the right side.

**Had More Quiet Night**  
London, Nov. 28.—King George's physicians issued this bulletin shortly after 11:00 a. m. today:

"The king passed a quiet night. His temperature and general condition remain as before."

**Doctors Return to Palace**  
London, Nov. 28.—Lord Dawson of Penn and Sir Stanley Howett, the king's physicians, returned to the palace soon after 1:30 o'clock this afternoon.

It was their second visit, the first having been made this morning.

**Prince of Wales Hurrying Home**  
Dun-Dee, Scotland, Tanganyika, Nov. 28.—(Canadian Press Cable via Reuters.)—The Prince of Wales is expected to arrive here at 8 o'clock this evening (about 6 o'clock London time). He will immediately board the governor's yacht Azania, eventually transferring to the cruiser H. M. S. Enterprise which is to take him to London.

**JAMES GUNN, NEPHEW OF MRS. DR. MILLS WINS FAME AS SILVER-TONGUED ORATOR—"NEW W. JENNINGS BRYAN" A NATIVE OF ALBERTA**

Toronto, Nov. 23.—A former Alberta boy of 16 years has achieved fame like William Jennings Bryan in a single speech. James Gunn, at present a student at St. Michael's college here, was called upon by President MacNicol to address the annual meeting of the Ontario Conservative Association. His youthful appearance sent a smile through the audience in the Pompeian room of the King Edward, but at close of the speech there was a tumult of applause.

The youthful orator pleaded for party organization among high school students, for discussion of which the agenda allowed no time. But his excellent delivery, his facility in speaking and the choice of language were such that as he took his seat many of the delegates came forward to shake hands, and Hon. R. B. Bennett later descended from the platform for a long chat with the boy.

He was a native of Alberta, he said, "Hon. Mr. Bennett's province," and his people were Liberals. A bit of studying had convinced him that the Conservatives had done the most for Canada and that the Conservative policies were what a young country could best thrive on, he declared.

This young politician has the art of public speaking well mastered, an art he learned by going into contacts, he stated.

His father and mother are dead, and he resides with an aunt, Miss M. Gunn, of Lindsay.

He came down to St. Michael's college this autumn, and intends, when he finishes his university course to study law.

In the meantime he is organizing a High school Liberal-Conservative Club in Lindsay, and in his youthful enthusiasm, hopes the party will provide the means whereby such clubs may be instituted in every high school.

The foregoing is of local interest as James Gunn is a nephew of Mrs. Dr. Mills and lived here with Mr. and Mrs. Dr. Mills during 1922 and 1923, and will doubtless be remembered by some of the young people of Macleod.

**CAUTIONS**  
Sandy was fishing. Donald, passing, asked, "How are the fish today, Sandy?"

"I dinna ken," said Sandy. "I've dropped 'em a line, but so far they've made nae reply."—Sydney Bulletin.

Nothing like a mix-up in the air to cause a storm of protest.

**FARM FOR SALE**  
The Soldier Settlement Board of Canada offers for sale by public tender—

The South East Quarter of Section Twenty (20), in Township Nine (9), Range Twenty-Six (26), West of the Fourth Meridian, containing 160 acres, more or less, reserving all minerals.

Terms of sale are not less than one-third of the purchase price in cash on acceptance of the tender, and the balance in 4 equal annual instalments, with interest at 6 per cent per annum on the amortization plan.

Each tender must be accompanied by an accepted cheque for \$100. If tender is accepted, this sum will be credited to the purchase price of the land. If tender is not accepted the money will be returned to the tenderer.

Tenders will be opened at CALGARY, ALBERTA, on WEDNESDAY, December 19th, 1928.

The highest or any tender not necessarily accepted. If the land is not sold on the date above mentioned the Board will be prepared to receive offers to purchase until such time as it is finally disposed of.

Tenders should be in plain envelopes marked "Tender for the purchase of the S.E. 34-20-9-27-W. 4th Meridian."

Additional tenders and enquiries to: The Soldier Settlement Board of Canada, Southam Building, Calgary, Alberta.

**PHILIPPINES SWEET BY TERRIFIC STORM**  
Manila, Nov. 24.—Advices that several thousand persons had been made homeless and hundreds of homes destroyed in the typhoon which has raged through the south central part of the Philippine Islands for two days, were received here today. No deaths have been reported.

**NO EXCUSE**  
Chief Clerk: "Doing anything on Sunday evening, Miss Brown?"  
Pretty Typist (hopelessly): "No, nothing at all."

Chief Clerk: "Then perhaps you can be at the office on time Monday morning?"

**MUNICIPALITIES MAY HAVE GRADUATED INCOME TAX—RECOMMENDATIONS OF EXECUTIVE BOARD OF UNION OUTLINED AT CONVENTION IN CALGARY—PUBLIC REVENUE ACT ALSO URGED**

Calgary, Nov. 21.—The largest convention in the history of the Alberta Association of Municipal Districts was opened Wednesday morning by Lieut.-Governor W. Egbert in the ballroom of the Palliser Hotel. By noon a total of 260 delegates from all sections of the province had registered, exceeding even at that time the total attendance figure at any previous convention. More delegates were expected during the afternoon.

Lieut.-Governor Egbert expressed his profound pleasure upon being called upon to open the convention, noting that the large attendance was an indication of the keen interest taken by the municipalities in the affairs of their province.

The needs of rural districts in Alberta had changed considerably, he said, from the days preceding the advent of the automobile, and today an urgent matter for the consideration of municipalities was good roads. Another matter which he hoped that the association would bear in mind was the subject of the water supply. The town planning could now be secured and this was desirable for many reasons. The natural beauties of Alberta must be preserved at all cost, not only for the enjoyment of present residents, but for future generations.

**Wheat Prices Low**  
The price of Canadian wheat today was dangerously close to and in many cases below the cost of production, declared President John Gair of Killam, in his address to the convention at the afternoon session. If the present price level continued, he said, it would have a tendency to curtail the normal expansion of wheat acreage. President Gair outlined the recommendations contained in the report of the executive. These recommendations were briefly as follows:

That municipalities be held responsible for all hospital bills. If this law came into effect, indigents could be treated in a home attached to the hospital without actually entering the hospital, so that the establishment of such homes would be part of this scheme, for if all bills were to be guaranteed, the service must be given at actual cost.

**Income Tax**  
That municipalities levy a graduated income tax with a minimum tax in place of poll tax.

That an old age pension be established in the province. In respect to this recommendation the president said, while in favor of the scheme of the labor organizations, it is felt that it could not be accepted unless labor was ready to pay a little towards financing it.

**Public Revenue Act**  
That the supplementary revenue act be repealed and a public revenue act passed for the purpose of raising sufficient revenue by a scheme of general taxation to care for mothers' allowance, indigents, tubercular cases, etc. This tax would be a sum fixed by the minister of municipal affairs on each municipality, based on its equalized assessed value, and would be payable in cash to the province. This recommendation, however, had many disadvantages, said the president. An alternative recommendation was that some kind of a pooling system be established whereby the municipalities would have a method of controlling relief expenditures.

**S. S. B. Land Taxes**  
Speaking in regard to the soldier settlement board, President Gair said: "We have given the minister in charge time to make good his promise of last December, that from now on all taxes on previously patented lands where there is now a settler in possession should be paid while current and before the period expires in December. At present there is no indication that the board is to fulfill that promise, so that, if we are to pursue the matter further, we will go to Premier King, and if that is not necessary we will have it tested in court and if this is forced upon us I certainly think the government should pay off expenses."

**Nominations** for president and vice-president will be received at the morning session on Thursday, while at the afternoon session nominations will be received for directors and resolutions will be considered. In the evening there will be a banquet at the Hotel Palliser at which Premier Brownlee will give an address. The convention will come to a close on Friday afternoon.

**Coal Shipments Started From New Area**  
The first carload of coal to be mined on the new Bull Pound Line which is an extension from the Canadian National line at Rosedale and which is operated jointly with the Canadian Pacific Railway between Rosedale and Trecoff, 23 miles distant, was shipped last week to Drumheller from the Murray Colliery at East Coulee. It is expected that this will be the forerunner of heavy shipments from points along this line which taps a rich coalbearing area.

**Inspection System Co-ordinated**  
It was announced during the past week by Hon. George Hoadley, Minister of Agriculture, and Hon. R. G. Reid, Provincial Treasurer and Minister of Municipal Affairs, that the administration of the Seed Grain and Relief Act, the Debt Adjustment Act and the Live Stock Encouragement Act have been transferred from the jurisdiction of the Department of Agriculture to the Municipal Affairs. These changes have been made in line with the Provincial Government's policy of coordinating inspection work with a view to giving greater efficiency, preventing overlapping and effecting economy. As the matters mentioned above have to do with the collection of money, it is felt that the work will be more effectively and conveniently

dealt with by the Municipal Affairs Dept.

**Peace River Board Approves Roadwork**  
Unqualified approval of the work carried out by the Government in the construction of the Peace River highway is contained in a letter received on Monday by Hon. O. L. McPherson, Minister of Public Works, from the Peace River Board of Trade.

In expressing this appreciation, the Board felt that it was speaking for the entire district.

From 20 to 30 motor cars were passing over the highway every day and all drivers were warm in their praise of the work.

**School Lands Bring Satisfactory Prices**  
An average of \$11.67 per acre was paid for 143 parcels of land comprising a total of 21,797 acres, disposed of by auction at Lethbridge during the past week under the direction of W. T. Rollins, Controller of School Lands for the Department of the Interior. The returns from similar sales held recently at a number of other points in the province are as follows: At Drumheller 170 parcels of land comprising 26,657 acres brought an average price of \$19.11 per acre; at Vulcan 102 parcels totalling 16,891 acres brought \$18.67 per acre; at Calgary 102 parcels comprising 15,946 acres brought an average of \$17.51 per acre; at Youngstown 17 parcels totalling 27,307 acres averaged \$9.00 per acre.

**Alberta Entries Win at Toronto Royal**  
Attention has again been attracted to Alberta as the result of the high awards secured at the Toronto Royal Agricultural Fair by entries in both grain and livestock classes exhibited from this province. Herman Trelle of Wembley who has his credit has won first prize and championship in wheat and similar awards in field peas in competition with entries from all parts of the Dominion. Seventh prize in the spring wheat class was won by Robert Cochrane of Grande Prairie and tenth by P. J. Rock of Morrin. In the oats class, Mr. Trelle carried off second prize, Nels Linden of Wetaskiwin third, J. H. B. Smith of Wolf Creek fourth, Hans Mayer of Vegreville fifth and P. J. Rock sixth. Second prize in field peas comes to Percy Cliburn of Wembley and fourth prize in barley to Norman Pack of Leduc.

Alberta livestock entries have also made a creditable showing in the classes which have been judged up to the present time. The Provincial Department of Agriculture won third and fourth in the hydrosdale selling class while in the Holstein ring the C. P. R. Farm at Strathmore won second for two-year old bull, third for yearling bull, third for bull calf and third for Holstein heifer. Awards won by the same farm in Hampshire sheep include second for yearling ram, third for flock, fourth for ram lamb and fourth for pen of four lambs.

The placing of awards in the other livestock divisions is expected to bring further honors to Alberta.

**Poultrymen Interested in Approved Flocks**  
Fifty-six farm flocks are included this year in the Alberta Approved Flocks, the breeding policy of which is under the direction of the Provincial Poultry Branch. The scheme involves trapping from the first of November to the end of February and the purpose is to identify the best birds to use as breeders or those birds that lay eggs of standard size (24 ozs. per doz.) and lay plentifully, at least 15 eggs per month, during the winter season when eggs are ordinarily scarce and prices high.

The trapper, it is pointed out, is not an onerous undertaking since it is done in winter when there is plenty of time for it and its practice to this extent at least is considered essential since it is the only way positively to identify the best birds.

It is a breeding or flock improvement program which has proven efficient, easy of operation and suitable for adoption on the farm.

**Hold Conference on Natural Resources**  
Premier Brownlee accompanied by Hon. R. G. Reid, Provincial Treasurer, will attend a conference to be held in Ottawa on December 12th when further consideration will be given to the question of the natural resources of this province. The hope is expressed by the Premier that as a result of the discussion at this meeting, an arrangement may be arrived at for the transfer of the natural resources to Alberta.

**Salt From New Well Is Of High Quality**  
Samples of salt solution from the new well at Waterways, in which a rich strike has been made, are shown by analysis at the University to contain slightly over 1½ pounds of salt per gallon. The total dissolved mineral matter in the samples tested is 99.9 per cent.

Sodium Chloride, or common salt, the main ingredient being calcium sulphate. Drilling operations will be conducted at the well for a time, but the depth already reached indicates the presence of a volume of mineral salt which, particularly in view of its high quality, insures the practicability of commercial development.

**Dog Island Reserved As Park**  
Dog Island, situated in Lesser Slave Lake in the Peace River section of Alberta, has been set aside and reserved for public recreational and park purposes according to an order contained in a recent issue of the Canadian Gazette.

**Date Set For Fairs Convention**  
The annual convention of the Agricultural Fairs Association will be held in Calgary on February 12 and 13, 1929, according to arrangements made at a recent meeting of the executive. Details of the program for the convention are in the hands of President V. E. Forster, Camrose; Secretary-Treasurer H. Huxley, of Lloydminster; and S. G. Carlyle, Superintendent of Fairs for the Department of Agriculture.

**Capital Gossip and Provincial News**  
Alberta Entries Win at Toronto Royal

Attention has again been attracted to Alberta as the result of the high awards secured at the Toronto Royal Agricultural Fair by entries in both grain and livestock classes exhibited from this province.

Herman Trelle of Wembley who has his credit has won first prize and championship in wheat and similar awards in field peas in competition with entries from all parts of the Dominion.

Seventh prize in the spring wheat class was won by Robert Cochrane of Grande Prairie and tenth by P. J. Rock of Morrin.

**Alberta Wheat Pool—Business as Reported by Newspaper and Business as Reported by CENTRAL**

**Weekly Newspaper Report**  
The Alberta Wheat Pool handled a total of 217,816,641 bushels of wheat during the first five year contract period with a gross turnover of \$276,350,411, according to the report of R. D. Purdy, manager, presented to the annual delegates' meeting being held in Calgary this week.

It was further stated that second series contracts covering 4,074,771 acres had been signed at October 1st, 1928, which acreage is 2,225 greater than he sign-up of his first series contracts.

The average acreage per contract under the Second Series is 116 as compared to 93 acres under the First Series.

During the past six months over 1200 contracts have been recorded which is by far a greater number than during any similar period of the operation of the Wheat Pool.

During the crop year 1927-28 the Alberta Pool handled 71,116,189 bushels of which 48,083,507 bushels, or 67½ per cent were shipped to the Pacific coast and the balance east.

Administration costs of the Alberta Pool during the past year were approximately 7-20 of a cent a bushel.

The elevator and commercial reserve funds together now total \$5,400,000.

The records of these reserves are handled by the Growers' Department and in connection with this work 53,000 accounts of growers are involved.

During the past year over 508,000 pieces of mail were handled, being an average of 1650 pieces for each working day.

**"Centrals" Report**  
A comprehensive report submitted to the delegates of the Alberta Wheat Pool by the Central Selling Agency was read at the annual meeting held in Calgary this week. In spite of great difficulties and a badly damaged crop, Central successfully marketed 209,871,373 bushels during the year. Taking into consideration a world production of 4,297,000,000 bushels which was approximately 315 million bushels greater than the 1923 crop, and 36 millions greater than the 1926 crop the sales prices obtained were satisfactory. This can better be realized when it is understood that the average price for the 1927 crop was only 11.8¢ as compared to the usual 13.5¢.

During the year the Pool maintained a policy of keeping well sold up, and as a result went into the new crop year with no carryover. This finally disposes of the false report which was spread during last August attributing a drop in prices at that time to the carryover of the Canadian Wheat Pool.

Direct exports for the year totalled approximately 145 million bushels. The Pool's best customer was the United Kingdom which took over 36 million bushels; then came Holland which purchased 16 million bushels, and Italy which purchased 15,730,000 bushels.

The gross turnover of the Central Selling organization for the year amounted to \$23,847,282.41. Satisfactory relations have been maintained during the year with the Canadian banks and the Pool has at all times been able to obtain adequate finance to meet requirements.

Considerable expansion has been made by Central particularly in the way of starting research department and developing a statistical service. An insurance subsidiary has also been organized to attend to that important branch of the Pool's operations. Concluding the report of the manager, E. B. Ramsay states: "The Canadian farmer to-day is in an excellent position to meet the competition of other wheat exporting countries. The development of a handling system operated at materially assists in the solution of the problem. Higher production per acre of quality products together with low cost of production and marketing rather than increased acreage will be important factors in the success of the Western farmer, particularly in the years of bountiful yield. A review of the four years' operations of the Central Selling Agency leaves your directors with a feeling that while giant steps have been made in developing a marketing organization, the fringe of the entire agricultural problem has only been touched."

dealt with by the Municipal Affairs Dept.

**Peace River Board Approves Roadwork**  
Unqualified approval of the work carried out by the Government in the construction of the Peace River highway is contained in a letter received on Monday by Hon. O. L. McPherson, Minister of Public Works, from the Peace River Board of Trade.

In expressing this appreciation, the Board felt that it was speaking for the entire district.

From 20 to 30 motor cars were passing over the highway every day and all drivers were warm in their praise of the work.

**School Lands Bring Satisfactory Prices**  
An average of \$11.67 per acre was paid for 143 parcels of land comprising a total of 21,797 acres, disposed of by auction at Lethbridge during the past week under the direction of W. T. Rollins, Controller of School Lands for the Department of the Interior. The returns from similar sales held recently at a number of other points in the province are as follows: At Drumheller 170 parcels of land comprising 26,657 acres brought an average price of \$19.11 per acre; at Vulcan 102 parcels totalling 16,891 acres brought \$18.67 per acre; at Calgary 102 parcels comprising 15,946 acres brought an average of \$17.51 per acre; at Youngstown 17 parcels totalling 27,307 acres averaged \$9.00 per acre.

**Alberta Wheat Pool Will Discuss Protein Value, Wheat**  
Calgary, Nov. 23.—Protein content will, it is said, loom largely in the discussion of delegates attending the annual meeting of the Alberta wheat pool, which opens here next Tuesday.

Andrew Cairns, statistician of the Canadian wheat pool, who is in charge of the research work now being undertaken, will be in attendance at the meeting, it was stated at the headquarters of the pool here on Friday, and will address the delegates on the question of the protein content in wheat.

Mr. Cairns has studied this matter in the University of Wisconsin and has undertaken to establish a laboratory in connection with his duties with the wheat pool in Winnipeg to conduct investigations as to the true value of Canadian wheat.

**WATCH OUT, BOYS!**  
"You didn't lift your hat to Mrs. Jones just now?"  
"The 'hair slicker' I used was mulligan."

"The 'atavism of a crowd,'" says a prominent newspaper, "is a psychological cliché." There you are, simply enough stated for anyone!

**COMING EVENTS FORESHADOWED**  
B. P. O. E. No. 129 (MACLEOD) MEMORIAL SERVICE—EMPEROR THEATRE, SUNDAY, DECEMBER 2nd

Another year has rolled around and it is our duty as Brother Elks to remember those of our brothers who have crossed the great divide on the call of the Great Architect of the Universe, the most exalted ruler of us all.

On Sunday afternoon, December 2nd, 1928, at 2:30 in the afternoon at the Emperor Theatre, a Memorial Service will be held as a token of respect for our departed brothers, at which Brothers W. H. Shield, M. A.; Mayor J. W. McDonald, K. C.; Dr. Spinkie of Calgary; D. M. Leyden, of Granum; and others will speak.

Every Brother Elk is requested to attend and is requested to accept this as an official notice.

The general public is also invited to attend and assist us with our ceremonies.

R. A. Hamilton, Secretary.  
P. P. Walsh, Exalted Ruler.

**MACLEOD HOCKEY CLUB CARD PARTY AND DANCE, FRIDAY, DECEMBER 14**  
The Macleod Hockey Club will hold a card party and dance in the Elks' Hall on Friday, December 14, Cards at 8 o'clock after which lunch will be served followed by dancing. Suitable prizes will be awarded for the winners at cards. This is the first affair of the season for the hockey boys and they are exerting every effort to make it an occasion that will long be remembered. This will be your opportunity to get behind hockey in Macleod and put the town on the map again so far as hockey is concerned. Let everyone turn out Friday December 14 Admission 50c each.

**DANCE IN ELKS' HALL, MACLEOD, SATURDAY NIGHT**  
The Macleod Hockey Club is holding a dance in the

## THE ECLIPSE OF ARISTOCRACY

European aristocracy is in a bad way. It has completely and finally disappeared from Russia, while right across the continent of Great Britain itself, the eclipse of aristocracy is proceeding surely and relentlessly.

In Central Europe, agrarian laws have broken up the large estates, and the political and social influence of hereditary titles has diminished in proportion to the shrinkage of the family acres.

The economic results of the war forced many of the British aristocracy to sell off large portions of their estates, in some cases to practical farmers, in others to wealthy business men who play at country life, but who do not become part of rural England. The old aristocracy was identified by interest and tradition with the life and prosperity of the countryside. The old system

may have been contrary to the principles of political economy, but it supplied many compensations in the form of ample financial resources and the administrative control of production and distribution, the lack of which the individual farmers have not yet supplied by organized co-operative effort.

The industrial revolution of the eighteenth century brought into being the forces that have changed the whole complexion of British society. Commerce and industry raised plain business men into positions of prominence in the affairs of the nation, and their entry into the House of Commons introduced a new element into administration that successfully contested the old supremacy of the landed gentry.

Titles are still highly esteemed in Britain, but the holders of them must take their chances in the rough, and tumble of a political fight if they aspire to public office. The leaders of the three political parties are all of them untitled commoners. In the march of events, the decline of the aristocracy is inevitable, but with all its anachronisms it has played a noble part in the national life, and its passing will remove from rural England an institution about which has centred a host of charming and romantic traditions.

## COST OF FEEDING HORSES

Although the tractor is being used successfully for a great many operations, the work horse may still be considered as the principal motive power on the great majority of the farms of Canada, consequently practically every farmer should be interested in the actual cost of feeding horses, particularly horses that are working most of the time.

At the Dominion Experimental Station, Kapuskasing, Ontario, records are kept of the amount and cost

radio entertainment.

Sponsored by the makers of

FIRESTONE GUM-DIPPED TIRES

MOST MILES PER DOLLAR

of feed consumed by all the work

horses.  
The average figures obtained over a five-year period are as follows:  
Number of horses fed, 14.4; hours worked per horse per day, 8.7; hay per horse per day, 19 pounds; grain per horse per day, 15.5 pounds; and cost of feed per horse per year, \$156.65.

It may be noted that the average cost of feed per horse per year of \$156.65, would equal about 86 cents per day for a two-horse team. It should be pointed out, however, that this figure represents conditions where the horses are employed almost every working day in the year at reasonably heavy work and, therefore, the cost of feeding is much higher than it would be for an idle horse, or even one that was working for only a part of the time.

In arriving at these figures, the hay was charged at local farm prices, that is, the amount it would sell for on the farm without being pressed or hauled. The grain was charged at local market prices.

## CELLAR FORCING OF RHUBARB

To successfully force rhubarb in the cellar during the winter months is one of the easiest and simplest of undertakings. Strong, healthy roots that are at least two years old from seed, or old crowns will give very satisfactory results. These should be dug up late in the autumn or just before the ground freezes up for winter. Allow as much earth to adhere to the roots as possible, allowing them to remain on the surface of the ground until the soil and roots have been frozen through. Freezing is essential to good forcing as it has been found by experiment that roots that were not frozen before being placed in the cellar did not do as well as those that had been frozen.

A dark cellar where the temperature can be maintained around 55 degrees F. to 65 degrees F. will be quite satisfactory. The frozen roots and soil should be brought in and placed on the cellar floor adjacent to the furnace. Sand, earth or cinders should be piled around the roots to maintain an even moisture supply. At intervals of a week or ten days, it may be found necessary to apply water to the soil. It is unnecessary to apply fertilizer of any kind since the fleshy root-stalks have sufficient plant food stored up in them to produce at least four good pullings.

Under proper conditions, the first pullings should be ready in about four weeks from the time that the roots have been placed in the cellar. To maintain the supply throughout the winter, a second lot of roots should be brought in when the first pulling has been removed from the previous roots. Five roots properly handled should produce about sixty pounds of a marketable product.

When the fourth pulling has been removed, it is a good plan to place the roots out-of-doors again and allow them to freeze. There roots can be planted out in the spring in good soil to recuperate.

Sauerkraut is now said to have had its origin in Turkey just as Chinese chop suey is an American invention. Does any other country claim Cape Cod turkey?

## CANADIAN PRODUCTS STRESS-ED AT MEETING OF STAND-OFF INSTITUTE

The Standoff Women's Institute certainly go in for variety at their meetings. According to reports their last meeting was evidently under the auspices of the "Younger Set" of the district. The interest in these country meetings among the women south of Macleod is keeping up in wonderful style, for at this meeting there were 30 members present.

The meeting was held at the home of Mrs. Walter Loyat and was opened by the usual exercises. Miss Eda Johnson was the convener of the meeting, and she gave a most interesting paper on "Canadian Products." The amount of information which she gave in the paper and the manner in which she handled the subject was a surprise to some of the older heads of the Institute. Miss Agnes Cyr sang, "Silver Bells," and Miss Dorothy Caruthers sang

## "RAMONA" REGARDED AS CLASSIC OF LITERATURE

Helen Hunt Jackson's story, "Ramona," which comes to the Empress Monday, Tuesday, Wednesday, Dec. 3rd, 4th, and 5th is regarded as one of the present day American classics. When Mrs. Jackson decided to write "Ramona" she had a deliberate purpose and as high an aim as that associated in the writing of "Uncle Tom's Cabin." She did not realize that her story would prove one of America's most interesting romances.

It was the writer's motive to bring the treatment toward the Indians by the Americans, before Congress in the hope that Congress would enact just laws. That was Mrs. Jackson's whole desire.

Before "Ramona" recalled the Indians' plight in fiction form, she had written "A Century of Dishonor" in which was an account of the United States government's dealing with the Indian tribes that had widespread influence. Being a plain cold statement of facts, with copies of evidence to bear it out, "A Century of Dishonor" was really an indictment of the Government for its failure to keep its promise with the Red Man from early times down to the date of the publication of the book, 1880.

It was later that Mrs. Jackson became convinced that public sympathy on behalf of the Mission Indians of California, could be awakened if revealed in story form: hence her novel with a purpose—"Ramona."

"Ramona" would never have reached a 94th printing had it not possessed unusual literary qualities for public interest in the Indian question alone could never have kept the book alive. As it is, "Ramona" is regarded as one of the American classics.

Today the book enjoys its largest sale and now comes the film that will give it perpetual life on the silver sheet. Inspiration Pictures and Edwin Carewe produced the story with Dolores Del Rio in the star and title role. It is regarded as one of the important pictures for the new year and a vehicle entirely suited to the star's histrionic talents.

## ZANE GREY'S LATEST STORY HAS NEW, STRANGE CLIMATIC TWIST

Something for everyone to enjoy, Zane Grey's story of "The Water Hole" as pictured by Paramount will be shown at the Empress Theatre Friday and Saturday.

For those who like Western pictures, "The Water Hole" has some beautiful and exciting scenes with much riding and tense situations. For those who prefer society drama, "The Water Hole" has an absorbing plot centering around a pampered society belle and scenes

## The Old Time Fiddlers' Contest

To Be Held on Wednesday, December 12th

of magnificent entertainment in the homes and lives of the wealthy.

Jack Holt, as a young engineer in love with the philanthropic Nancy Carroll, proves himself a versatile and accomplished actor. In formal dress clothes or in rough riding outfit, Holt is equally at home. His technique is unassailable and his characterization, convincing.

The scenic photography is beautiful and the sequences done in technicolor are impressive. Long vistas of desert land; huge mountain ranges rising abruptly from the trackless sand and detail scenes of the historic ruins of the Indian cliff dwellers make this picture a permanent screen gem and good entertainment.

## MACLEOD GENERAL HOSPITAL HOLDS ANNUAL MEETING

The annual meeting of the Macleod General Hospital was held on Friday evening, with a very small attendance of ratepayers present. The fact that so little interest was shown by the ratepayers of Macleod in the annual meeting of their hospital would indicate that they are perfectly satisfied with the manner in which the hospital board handle the affairs of the hospital. The secretary-treasurer, G. H. Seoungall, read the annual reports, which were considered very satisfactory and unanimously adopted. The election of the board for 1929 was as follows: J. Swinerton, C. A. Mercer, Wes Shield, C. W. Stevens, Geo. McFarquhar, Mayor J. W. McDonald and W. A. Day, chairman of the finance committee of the town council, are both members of the board in virtue of their office on the town council. W. H. Shield, M. L. A., is also an honorary member of the board.

## RADIO WORLD AWAITS GREAT FIRESTONE PROGRAM MONDAY NIGHT

The inaugural program of the Firestone Tire & Rubber Co. has been set for Monday evening, December 3. The broadcast will be over 41 leading stations, associated with the National Broadcasting Co., with short wave transmitters linking up every country in the world.

This will be the greatest event in industrial radio history because of the fact that it will be world-wide and because of the number and rank of the artists taking part in the program.

Franklyn Bauer, famous tenor, who heads the program, will be heard on the air exclusively as "The Voice of Firestone." Bauer is well-known as a former principal of the Ziegfeld Follies and a Victor recording artist.

Miss Vaughn De Leath, noted contralto is widely known as the Original Radio Girl. Her unusual voice has earned her an international reputation.

Supporting these soloists will be the finest radio orchestra—35 pieces—ever assembled.

Further variety is given the program by a wonderful octette made up by combining two great quartettes.

Every member of the family should "stand by" for the opening Firestone program on Monday night December 3, at 6:00 p. m. and following Monday nights at the same time. These concerts are being sponsored by the makers of the famous Firestone Gum-Dipped Tires.

Of late it has become something of a problem to the proof reader of women's fashion pages to determine whether the new word is a misprint or merely the name of a new color.

"Those stock exchange seats cost \$470,000." Add to animal rarities: Ocean greyhounds that bark and green bay "No wonder they're all standing." horses.

**Glenwood News**

A party was given in honor of Peter Goetz at the Scout House, by the Mutual Improvement Officers and their partners, on Friday night. Mr. Goetz has been secretary of the organization for some time past. He is soon to leave for Toronto to see his mother and get employment. He came from Toronto to Glenwood about three years ago, and since then has taken an active part in community activities, so much so that he will be greatly missed by all.

The special Cardston visitors at the Sunday afternoon church service were M. A. Coombs, Jonathan Hunt, Heber Jensen, and Mr. Jackson. They made some very instructive and interesting remarks.

The Sea Gull girls gave a program of musical numbers and tableaux Monday night. The evening was completed by a dance.

A son was born to Mr. and Mrs. Jacob Weinheimer at Glenwood Monday.

The recently reorganized Athletic Association has the following officers for the coming year: President—C. J. Wright; Vice-pres.—James Prince; Secretary-treasurer—Hugh Leavitt; Directors—C. R. Leavitt, and Edwin Greene. The first basketball practice will be held Wednesday night.

Lee Wood arrived safely at Glenwood this week with the four-room bungalow which he recently purchased at Macleod.

Mr. Ackroyd returned Saturday from a business trip to Magrath.

Mr. and Mrs. E. A. Law were Sunday dinner guests at the home of Mr. and Mrs. Max Ehler.

Mr. and Mrs. L. M. Nordstrom and Mr. and Mrs. M. G. Nordstrom and family expect to leave this week by motor for points in Utah.

A large number of Glenwood people attended the regular monthly Stake Priesthood meeting at Cardston yesterday.

Tune in on the Alberta University educational radio program every Monday and Thursday evening. The Thursday evening program is of special interest to farmers. It consists of a concert from 8 to 9 p. m. and lectures, music, and question box from 9 to 10:30 p. m. The Monday night programs are of a more classical and scientific nature. The lecture part is from 8:45 to 9 p. m. W. Card and Russell Sloan were business visitors to Glenwood Thursday.

**W. T. FLEMING'S NEW BARBER SHOP—OPENS SATURDAY**

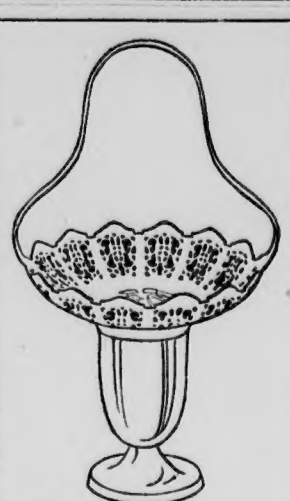

W. T. Fleming's tonsorial parlors in the new Leather Block, next to the Empress Theatre, are about ready for occupancy. Mr. Fleming is the pioneer barber of Macleod and "Bill's Barber Shop" is a well-known local institution, and many patrons will be pleased to know that the new shop will be one of the most up-to-date barber shops in Southern Alberta, the premises having been built for the purpose, and the fixtures will include two chairs and regular requisites of the business, all in white enamel, making an extraordinarily handsome ensemble. "A Nifty Shop." "Bill" expects to be working in the new shop Saturday of this week.

Woodman, spare that Christmas tree!

**SALVATION ARMY'S NEW CITADEL AT MACLEOD OPENED—CAPT. K. KING OF LETHBRIDGE OFFICIATES AT DEDICATORY SERVICES**

The Salvation Army Citadel, the building of which has just been completed, was formally dedicated and opened Sunday afternoon.

In the absence of the divisional commander for Alberta, Staff Captain A. L. Steele, O. B. E., through sickness, Captain K. King of Lethbridge officiated in his stead. In the opening ceremony the hymn, "All Hail the Power," was sung, and Captain Lesher introduced the chairman, His Worship Mayor J. W. McDonald. Captain King then presented the key to his Worship and he opened the door and declared the Citadel open. A large crowd was present, representative of all denominations.

The dedication service then took place, with Mayor McDonald presiding. The service opened by singing the hymn, "All Things Are Thine." The dedicatory prayer was given by Bandmaster Davie of Macleod. The Scripture reading from 1st Kings 8th chapter, was taken by Capt. Lesher Macleod. In his address as chairman, Mayor McDonald told of the origin of the name of the organization, "Salvation Army," and that its operations now extended to every land. Eighty-three countries are now represented by the Army. A vocal duet was rendered by Mrs. Gillespie and Miss Jean MacDonald. The financial statement of the building campaign was given by the secretary, H. C. Winter. The statement showed that there is still a considerable amount required before the building is free of debt. A cornet solo was given by Bandmaster Robinson of Lethbridge. An address, prayer and benediction by Capt. King closed the service. There were 12 members of the Lethbridge Band present and they were under the leadership of Bandmaster Davie, Macleod.

The hall is built of cement blocks, taken from an old building which was situated on the C. N. R. right-of-way, and was donated by the C. N. R. to the Army. The building is about 60 by 30 and contains a nice-sized kitchen at the rear. It is situated on a central location on the corner of 3rd Ave. and 23rd St. The site was donated by the town of Macleod.

**HOW IS IT DONE?**

"Daddy, was Robinson Crusoe an acrobat?"  
"I never heard that he was. Why do you ask?"  
"Well, it says here that at the end of his day's work he sat down on his chest."

We are a queer people. Too proud to buy a secondhand car, yet willing to accept a second-hand mate in marriage.

In farm papers the Family Herald and Weekly Star, Montreal, leads them all. One dollar a year or three years for \$2, and with it a superb magazine free.

**OBITUARY****FUNERAL OF JAMES SCOTT ROTHNEY**

The funeral on Thursday, Nov. 22nd, from the United Church, Macleod, of James Scott Rothney was attended by a very large number of sympathizing friends and acquaintances, the church being nearly filled to capacity.

The funeral was in charge and under the direction of the Odd Fellows lodge, Mountain View No. 4, of which lodge the deceased has been a very active and valuable member for the past 16 years. There were over 30 members of the lodge present and took part in the service at the grave-side. Mr. Rothney was also a member of Mountain View Rebekah Lodge No. 23, I. O. O. F., and about twenty of the sisters of that lodge were also present in the church. The service was conducted by the Rev. J. F. Knight, pastor of the church, assisted by Rev. Alex. Ferguson, minister of St. Andrew's Presbyterian church, and the Rev. W. H. Irwin of Taber, who was pastor of the Macleod United Church for the past three years up to July last. Mr. Irwin in a few remarks spoke of the great friendship which existed between himself and Mr. Rothney during his three years' ministry in the church, when he acted as elder and other important positions in the church. No member, he said, was more sincere, devoted and enthusiastic in the work of every department of the church, always ready, always willing and always optimistic for the advancement of the church.

James Scott Rothney was born 56 years ago at Langside, Aberdeenshire, Scotland, where as a young man he learned the blacksmith trade, and later had a business of his own at New Maud, Aberdeenshire. There he married Miss Murray, daughter of Peter Murray, of Aberdeen. In 1910 Mr. Rothney came to Canada and eventually landed in Macleod, where he got his first job in Canada with Alex. McLeod, blacksmith, and for whom he worked for eleven years. Mrs. Rothney and the children came out to Macleod in 1911. For many years Mr. Rothney has been working for Sam McCrea and this spring they formed a partnership as McCrea and Rothney, blacksmiths.

Mr. Rothney is survived by Mrs. Rothney, four daughters and one son. Their eldest son died a few years ago at the age of 30. Three daughters are married, Mrs. (Dr.) E. C. Fleming, Los Angeles, California; Mrs. F. W. Reynolds, Fairhaven, Mass., U. S. A.; Mrs. St. George, Macleod, and Miss Jean, a nurse in Calgary. John, the son has been teaching for a number of years, but is now a student at the University of Alberta. Mr. Rothney's father is still alive, living at Langside, Aberdeenshire, Scotland; three brothers, William, at Perth, West Australia; Peter, in Winnipeg; Charlie, in Aberdeen, and two sisters both in Aberdeen, Mrs. Park and Mrs. Sharpe. Friends of the family from outside points were Mr. and Mrs. J. Mackie, Lethbridge, and Alex. Chalmers, Calgary. The pallbearers were Messrs. W. G. Andrews, John Arthur, R. Gillespie, W. H. McNab, W. Mackie and Jas. Young. There was a very large number of beautiful floral tributes which showed the respect in which the deceased was held and as an expression of sympathy for the bereaved family.

**Floral Tributes**  
Wife and Family, "Flora and Ed," Ina and Fred, Peter and Margaret, Lauchlan and Madge, I. O. O. F., Rebekahs, A. F. & A. M., United Church Men's Brotherhood, United Church Senior Choir, United Church Senior and Junior C. G. I. T., United Church Ladies' Aid, United Church Macleod, Mr. and Mrs. G. P. Rowe (Granum), Mr. and Mrs. J. Mackie (Lethbridge), Mr. and Mrs. H. Maltby (Lethbridge), Mr. W. Smithson (Medicine Hat), Staff of Red Cross Hospital (Calgary), Mrs. P. Jordan (Calgary), Mrs. M. Irvine (Calgary), Mr. and Mrs. W. K. Mackie, Mr. and Mrs. H. V. Clarke, Mr. and Mrs. J. Morrison, Mr. and Mrs. V. B. Baker, Mr. and Mrs. R. Gillespie, Mr. and Mrs. Hoults, Mr. and Mrs. J. H. Doudle, Boys at John's Table, "Varsity."

**"BEN HUR" RECITAL BY UNITED CHURCH PASTOR WAS PLEASING**

The town hall of Macleod was crowded Friday night for the dramatic recital, "Ben Hur," given in connection with the United Church school by the pastor of the church, the Rev. J. F. Knight, M.A., B.D. The recital was a most remarkable success in every respect. For more than two hours Mr. Knight held his audience in almost breathless attention, children included. The "Race" for thirty minutes reached the climax. It will never be forgotten by any who saw the magnificent performance. In this his first public recital in Macleod, Mr. Knight gave a wonderful demonstration of his elocutionary abilities and his mastery power of gripping and holding his audience from start to finish.

The superintendent, the executive and staff and indeed the whole United Church school desire to thank the public generally for their magnanimous support of the enterprise and for the many appreciative remarks made on the entertainment.

Small Boy (seeing for first time, tree decorated with colored lights):

MRS. KNIGHT DEALS WITH "CHILD WELFARE" AT STAND OFF INSTITUTE ADDRESS

The Standoff Women's Institute held a special session on Friday afternoon, Nov. 23, at the Ardenville school, with the president, Mrs. A. E. Skolding, in the chair. The occasion was a special visit from members of the Macleod Institute who included Mrs. Greenwood, president, Mrs. (Rev.) J. F. Knight, Mrs. Barr and Mrs. Whipple.

Mrs. Knight was the special speaker for the occasion and her theme was "Child Welfare." In an illuminating and instructive manner she handled this large and interesting subject. In the course of the address, she stated that commerce and industry have made the world a neighborhood, and now it must be made a brotherhood, or destroy itself in the fury of its competition always resulting in war. The right of the child; the privilege of adolescence; the duty of parenthood were briefly outlined in a way that brought to view many new and interesting activities for women in our time and land.

Mrs. Wyard and Mrs. Knight gave vocal selections and greeting from the Macleod Institute were given by Mrs. Greenwood. A social half hour concluded the program, about 40 ladies having enjoyed the afternoon together.

## There Is Little That Is New

in groceries, but Xmas is coming with the heavy respon-  
sibilities it lays upon the cook, and, expecting as we do,  
that the cook will excel herself in the culinary art in the  
festive season, it is up to us to see that she is provided  
with materials of the highest quality with which "to do  
her stuff." A silk purse can't be made from a sow's ear,  
even in our kitchens. The moral is: Buy quality groceries  
at the White Hall, and put the onus upon the cook. We  
guarantee you an entirely successful Xmas Dinner in that  
case.

## THE WHITE HALL

(OPERATING THE CHILD'S SAVING PLAN)

## LOCAL AND PERSONAL NEWS

V. Spencer, of Cardston, was a theater goer of Macleod and dis-  
trict.

E. Haug was a business visitor to Macleod and Lethbridge last week.

J. Shields was a business visitor to Macleod for a few days last week.

R. Charlton was a visitor to Cal-  
gary on Saturday last.

Frank Tatham was a business  
visitor to Lethbridge on Monday last.

P. J. Cutler was a business visitor  
to Granum and other northern towns  
last week.

Wal Eddy, of Lundbreck, was a  
visitor here for a few hours on Fri-  
day last.

J. M. Rothney, Edmonton, came  
down to Macleod Wednesday of last  
week on account of the death of his  
father, J. S. Rothney.

Grantly Shelton, of Lethbridge  
formerly of Macleod, has just re-  
turned from a vacation spent visit-  
ing friends in England and Ireland.

Mrs. Robert R. McLean, who has  
been ill for the past two months, is  
able to sit up for a few hours each  
day now and is slowly improving.

J. L. Collett, of Manyberries, was  
a business visitor here on Monday  
last. Mr. Collett was looking over  
the farm propositions in this vicinity.

Albert Swinarton, who has been  
attending the University at Edmon-  
ton, is a patient of the hospital in  
that city on account of his injured  
leg bothering him again.

Captain Lecher and Lieutenant  
Thierstein, (Salvation Army) re-  
turned last Thursday from Edmon-  
ton where they had been in attend-  
ance at the S. A. Congress, in that  
city.

T. Tomlinson and Alf Borden  
entertained a number of friends on  
Monday evening last to a Thank-  
sgiving Dinner at the B. T. M. Ranch.  
Amongst those present were W.  
Armer, Neil McCaig, C. P. McGlad-  
dery, D. W. Davis, J. Watson, O. J.  
Wood, Arthur Young and Joe Mar-  
low.

The death occurred on Wednesday  
of this week of Miss Patricia Cullen  
at Bow Island. The deceased's  
parents, Mr. and Mrs. L. M. Cullen,  
formerly lived at Macleod. Miss  
Cullen was a granddaughter of E. T.  
Drinkwater. Interment took place  
at Macleod, in the family burying  
plot in the R. C. Cemetery on Satur-  
day morning, November 24th.

The Canadian Legion, Macleod  
branch, has purchased 300 copies  
of the pamphlet "The Truth About  
the War," written by Major George  
A. Drew, an irrefutable answer to  
the slander, published in certain  
United States magazines, that in the  
Great War the British Empire  
shirked its responsibility. These  
pamphlets are being supplied free  
on application to schools in this dis-  
trict, or to interested individuals.  
Apply Darold Davis, Secretary  
Canadian Legion, Macleod.

Messrs. Booth and Beatty are  
making many improvements at the  
Empress Theater—new curtains and  
colored lights giving a pleasing ef-  
fect in the lobby. A black saten  
draw curtain has been installed at  
front of the stage, carrying ad-  
vertisements of local firms—a big  
improvement on the old drop cur-  
tain. The new orchestra pit curtains  
are being decorated to harmonize  
with the stage effects, and when com-  
pleted the interior of the theater will  
present a decorative appearance  
second to none in the south country.  
The proprietors state that steadily  
increasing patronage pleases them  
greatly and they feel that their ef-  
forts are being appreciated by the

The Brotherhood in the United  
Church Hall on Tuesday evening was  
a delight to everybody present. The  
reading sides were chosen by John  
Griffin and A. F. Grady. The library  
from the Department of Extension  
of Alberta University has arrived  
and will be for the use of the public  
free, during the winter as soon as  
the proper shelves can be arranged.  
Mr. Dick Panter is librarian for the  
present. You are invited to identify  
yourself with one or other side in  
the reading competition this winter  
and join in the banquet at the end  
of the season. Besides the ninety  
volumes sent any extra books in the  
University may be secured by ap-  
plication to the librarian, Mr. Dick  
Panter, and meeting the cost of  
shipment. The young folk are show-  
ing splendid judgment in choosing  
their first books, and the library will  
be of special benefit to those who  
want to specialize in any depart-  
ment. Everybody is entitled to the  
reading privileges of the library and  
the Brotherhood is delighted to be of

service to the widest possible con-  
tingency.

Neil McCaig was an auto visitor  
to Lethbridge on Friday of last week.

R. Leise, of Fernie, was a business  
visitor to Macleod on Monday last.

Mr. and Mrs. A. Dunn were motor  
visitors to Cardston on Sunday last.

Chester Arthur, of Brockton, was  
a business visitor here this week.

The Rev. Canon S. Middleton, of  
Cardston, was a visitor to Macleod  
on Saturday last.

George Thomas, well known old-  
timer of Macleod, was in town this  
week renewing acquaintances.

T. O. A. Drinkwater, of Burdett,  
was a Macleod visitor last Friday  
and Saturday.

Eb. Walker and party returned on  
Friday last from a big game hunt  
in the foothills. No results of the  
three day excursion were brought in  
as lack of snow handicapped the  
hunting of deer.

The music of the Salvation Army  
Band from Lethbridge was heartily  
enjoyed by those fortunate enough  
to hear them. This arrangement of  
musicians rendered a fine instru-  
mental sacred concert.

Word has been received from Ed-  
monton to the effect that Hugh Mc-  
Lean is slowly improving though not  
able to sit up as yet. His many  
friends in Macleod will welcome the  
news that he is improving.

The Indians of the Blood Indian  
Reserve are building a new Anglican  
Church which when completed will  
be one of the finest in southern Al-  
berta and will cost in the neighbour-  
hood of ten thousand dollars. A  
special feature of the church will be  
the handsome stained windows. The  
Rev. Canon Middleton will be the  
rector in charge, and the new edifice,  
which will seat nearly five hundred  
people, is situated about one mile  
north of the present St. Paul's  
Industrial School.

At the last regular meeting of  
Mountain View Rebekah Lodge No.  
23, I.O.O.F., Macleod, a number of  
presentations of Jewels were made  
to the members. Three Sisters who  
have been members of the lodge for  
15 years were presented with  
Veteran Jewels, Mrs. Loched, Mrs.  
H. V. Clarke and Mrs. S. G. Stewart,  
of Granum. Mrs. J. M. Paulson was  
also presented with a Past Noble  
Grand Jewel. Sister Ethel Brown,  
Past President of the Rebekah  
Assembly made the presentations of  
the Jewels and Sister M. Young,  
Noble Grand, presented each of the  
recipients with a lovely bouquet of  
flowers. After the meeting refresh-  
ments were served and a jolly time  
was enjoyed for an hour round the  
ten tables.

On Saturday, November 24th a  
jolly birthday party was held at the  
home of Mrs. Ironfield, for her  
daughter Annie, who was celebrating  
her eighth birthday. After a num-  
ber of games dear to the heart of  
the young folks, a delicious supper  
was served to all present, also the  
cutting and serving of the large  
birthday cake decorated with its  
eight candles and colored frostings  
which was the central attraction of  
the daintily appointed table. All re-  
ported a wonderful time, and ex-  
pressed their good wishes to Annie  
in numerous pretty gifts, the guests  
returning to their homes tired, but  
happy; the invited guests were—  
Lois Ratray, Lois Dunbar, Moira  
Law, Mable Jordan, Margaret Jo-  
dan, Molly Crowe, May Marlow,  
Marie Hunt, George Botz, Donald  
Nash, Jim Grier, Jim Stewart. Mrs.  
Dunbar kindly drove the young  
guests to their homes.

The Family Herald and Weekly  
Star of Montreal with its wonderful  
improvements has no peer as an  
agricultural paper on this continent.  
The best Canadian farmers know  
that.

**CARD OF THANKS**
